

The right light

8169

Arketto

DESIGN: YAAKOV KAUFMAN

Arketto – a very elegant innovatively designed ergonomic task light with an extremely flexible and imaginative textile covered arm. Arketto gives good light output, is very versatile and is ideally suited to the office or for domestic use. Extravagant looks and superb light distribution have earned Arketto a place in The Chicago Athenaeum’s permanent design collection and The Norwegian Design Council gave Arketto it’s Award for Design Excellence in 2003. The Arketto series include a desk model, a
